9	Andy Vocal	SM58		Tall
10	Nancy Vocal	SM58		Tall
11	Martin Vocal	SM58		Tall

- We require the mixing desk to be positioned in the same space as the audience, not in a lighting box, this is very important!

- A suitable FOH system for the venue (Subs are essential) and graphic EQ's across all 3 separate monitor sends and the FOH.

- * we supply these microphones/DI's**
