- Suitable PA for the venue is required. The PA should be clear and buzz free, it should give equal coverage to every seat in the venue. D&B is preferable for the FOH system, please contact us in advance if you have any concerns about the system.
- 4 high quality vocal mics are preferred. Ideally Neumann KMS105s or Audix OM5.
- Please provide 4 chairs and water for four people.

- Please provide a small table for Rachel's harp
- Please contact [thefurrowcollective@gmail.com](mailto:thefurrowcollective@gmail.com) for more information.
- Smaller venues, please note that we can adapt our set up to suit your equipment. Please get in touch to discuss options.
